# ABOUT OUR CITY

*Cali, is the capital of the Valle del Cauca department, is the main urban and economic centre in southwest Colombia, and has one of the fastest growing economies in the country. The city was founded on 25 July 1536 by the Spanish conquer Sebastián de Belalcázar. Cali's cheerful nature is manifested in salsa, a Caribbean rhythm that is danced here among the sugarcane in its own unique way. In this city, nicknamed "Branch of Heaven," the peaks of Cristo Rey, the hill of the Three Crosses, and the hills of San Antonio jut upwards from the plains that make up most of Valle del Cauca.*
